The 100% natural, super-soft fibres make for an earthy alternative to synthetic insulation. A slightly heavier-weight 315gm₊ wool and 22cm width band makes for a supremely cosy bit of head-wear. Combining a smart-active look with innovative construction, and the natural temperature-regulating and odour-resistant properties of responsibly sourced, mulesing-free, lofted Merino, we've created a versatile outdoor staple for the campers, hikers, tree huggers and nature lovers who feel most at home in the wild.
